- From the intersection of Camino Del Rio and Hwy 160 (next to the Double Tree Hotel) travel west on Hwy 160 for 10 miles.
- Turn left at Hesperus onto Hwy 140
- Travel 4.7 miles - Approximately 100 yards after mile marker 19

ElkQuest is on the **East** side of the highway. There will be a large wooden sign that says "Old Fort Lewis Demonstration Forest". To the right of the sign you will see a green gate. If the gate is unlocked, come on through and your guide will meet you at the fire ring about 100 yards within the gate.
